Hi Don and John,

To my knowledge, Paul and Chad have been working on the Green Line extension. They are copied on this email if you have any specific questions. Don, I'm not sure who from DOT would be working on this...maybe Paul might know?

Nate...

As I understand it, there is a couple of guys (from DOT?) that are working on the Green Line extension that are ;located in the offices adjacent to yours. Can't remember their names. Who are they & how can I contact them to schedule a meeting with them?

Thanks.
